FOREWORD

This resource book identifies the key U.S. Department of Transportation (USDOT) headquarters, field, and state participation personnel with hazardous materials responsibilities. The intended users include industry, enforcement, emergency response, and other personnel at all levels within the Federal, state, local, and tribal communities who work with and ensure the safe transportation of hazardous materials.

This book may be downloaded directly from the following web-site address: http://hazmat.dot.gov/. Or, you may order limited copies of this book from the web-site or the USDOT Pipeline and Hazardous Materials Safety Administration's Office of Hazardous Materials Initiatives and Training at (202) 366-2301.
