“What You Should Know – A Guide to Developing a Hazardous Materials Training Program”

May 7, 2009

**name:** Bill Briner

**organization:** UNZ & Company

**comments:** Nice summary. I really like the Function Specific Training Checklist on page 18.

---

**name:** Wayne Baker

**organization:** VTL TEXAS HOT SHOT LLC

**comments:** Very good--finally sets everything up in black & white--leaves no doubt as to training needed. very good
